Affordable, Luxury Drug Rehab Center

Shaping the Future of Addiction Treatment

Valley Recovery Center is a residential drug rehab tucked away in the private neighborhoods of Agua Dulce, California. Our treatment program delivers state-of-the-art therapy in a plush, amenity-rich, contemporary facility. Each of our residents has the pleasure of staying in a deluxe individual suite ensuring total privacy. The schedule is highly structured, and our residents spend time attending individual therapy, group therapy, 12-step meetings, psychoeducational groups, family therapy, and experiential therapy. All of our programming is overseen by an assigned personal case manager who tracks clients' progress, and updates their care plan as required.
